

Minnesota Jets Partnership Request

To whom it may concern,

As we gear up for another thrilling season with the Minnesota Jets, we extend our heartfelt appreciation for your unwavering support throughout our journey. It is with great excitement that we invite you to join us once again as a partner of the Minnesota Jets, or for those new to our family, we welcome you to embark on this transformative journey with us.

The achievements of our Raptors, Thunderbolts, and Stealth teams in the previous season stand as a testament to the dedication and resilience of our participants. With numerous 1st and 2nd place titles, flawless performances, and notable placements at prestigious national competitions such as WOW Nationals and QUEST Nationals, our teams have showcased their talent and commitment on a grand stage.

Beneath the surface of achievements and accolades, lies a profound impact that the Minnesota Jets and our collaborators have on the lives of our participants. Rooted in our foundational pillars of emotional, physical, and spiritual health, we utilize the sport of cheerleading as a powerful tool to transform the lives of youth. Cheerleading serves as a catalyst, drawing participants and their families into our programming and exposing them to the myriad resources offered by our partners. Together, we tackle critical issues such as suicide prevention, mental health advocacy, combatting eating disorders, fostering sobriety, alleviating homelessness, and empowering at-risk youth. Through the concerted efforts of our dedicated team and the support of our esteemed partners, we navigate the intricate landscape of youth challenges with unwavering determination and success.

Our influence extends well beyond our competitive teams, touching the lives of over 125 individuals annually through a diverse array of offerings, including classes, clinics, camps, and open gyms. We remain steadfast in our commitment to nurturing the journey of every participant, irrespective of their involvement in competitive teams, by providing opportunities for skill advancement, safety education, and mentorship.

To sustain and expand our programs, we rely on the generosity of our partners. Our projected budget outlines essential expenses such as facility rentals, uniforms, equipment maintenance, and our hardship fund, ensuring equitable access to our programs. With the anticipation of adding more teams and an increase in student enrollment, your support becomes even more crucial in fulfilling our mission.

We invite you to join us once again or for the first time on this transformative journey. Your partnership not only ensures the sustainability of our programs but also serves as a testament to your commitment to empowering and inspiring the youth of tomorrow.

Thank you for considering partnering with the Minnesota Jets. Together, we can continue to make a profound difference in the lives of young individuals and our communities.
